

CONGRESS OF THE UNITED STATES
JOINT COMMITTEE ON PRINTING
WASHINGTON

April 4, 1958

"The time has come," we all have said,
To talk of many things:
 Of shoes and ships and sealing wax-
 Of cabbages and kings"
 And why the "Rogs" are up again-
 As though they're sprouting wings.

Dear Red:

Our apologies for paraphrasing "Alice's Adventures in Wonderland", but "the time has come" when, as in past years, we're inviting your suggestions and recommendations relative to the annual revision of "Government Printing & Binding Regulations".

Please include with your reply a complete, up-to-date alphabetical list of the authorized printing plants under your jurisdiction, together with the correct name, location, and classification of each plant. We will also need to know the total number of copies of the new regulations necessary to cover the required distribution within your establishment.

We will appreciate hearing from you not later than May 15, 1958.

Sincerely,

James L. Harrison,
Staff Director.
